I will leave that to Paul or someone he designates. The list I sent you was what I had.

Hey Jeff and Paul,

Jeff's email included the entire list of POTWs; approximately 206 dischargers instead of the 107 cited in the economic analysis.

Can you please send me the list of 107 that are the basis for the economic justification?

Thanks!

Tina

Tina:

I have attached three items. The first two should be the private firms assumed to be eligible for a general variance. The third attachment is the public list I have, but Paul L. may have a better and more up to date list.

Paul and Jeff,

I was hoping to get a list of the 107 POTWs and 51 private sector facilities that are considered eligible for a general variance. For the private sector, Appendix B of the economic demonstration contains a list of the many (all?) of the facilities but I was hoping to get an Excel / word copy of the table so I extract the relevant information that I need. For the public sector, the demonstration contains a subset of the facilities but not all of them.

Could you guys please email me that information?

Feel free to call with any questions.

Thanks!

Tina
